10:00 Zucchini Car Races Begin

- Enter Zucchini Cars and Giants between 8:30 and 9:30 on the day of the contest
- Race cars must be made of real zucchini squash
- The squash should be the vehicle, not a roller skate or Tonka Truck
- Wheels and axles must be inserted in the squash and can be made of wood, metal, vegetable, or plastic
- The width of one track is 11 inches, so the car must be no wider than that
- Giant Zucchini must be grown by the entrant to be eligible for the competition

**Prizes for Most Creative Zucchini Car in both
Adults' and Children's Categories**
